

YOU ARE A MOM IN ALL IT'S GRIT + GLORY

There is nothing ordinary in This Task.

There are instead the beautifully brave markings
of selfless sacrifice,
worn-out prayer knees,
hours of night watch, poured-out affections,
endurance through trials,
and an unwavering love that holds steadfast.

So carry on through the laughter and the tears,
the joy and the hardships,
the majestic and the mundane.

You are anything but normal.
You are beautifully brave.

You are Mom.
